

Ardrishaig Community Trust is a Social Enterprise established to work for the benefit of those living, working and enjoying the local environment. It has a dedicated board of volunteer directors who give their time freely to raise funds and take responsibility for managing the affairs of the Trust.

The Trust was established following a recommendation of the 2008 Ardrishaig Masterplan report that an agency be established with an appropriate legal status to take regeneration projects forward in Ardrishaig.

The Trust is a Company limited by Guarantee, incorporated to take advantage of the Community Right to Buy Act and is a registered Scottish Charity, No SC040296. Details of all our current projects are on our website but please feel free to contact the Trust if you would like any information or would like to give us comments or feedback

The Trust has 3 trading subsidiaries:

Argyll Renewable Energies Limited, progressing the community wind turbine project;

Argyll Activities Limited, progressing activities for disadvantaged young people

Ardrishaig Regeneration Community Interest Company, progressing the regeneration of the waterfront.

The Trust is striving to ensure that all the developments are taken forward with effective community engagement and will work in partnership with any local body or agency that will support the objectives of the Trust.
